

RESH (not Rush) cheat sheet for the adoration of the sun*

*Adapted from AA Liber Resh veI Helios sub figura CC

Ever wonder what that screaming around dawn is about? That's a sun adoration ritual called RESH. (Not "Rush" as some mistakingly call it, though we do rush to do it when we see our friends gathering around the log.) While some know there is morning Resh, many don't realize that there are adorations for noon, dusk and midnight as well. Some of us are trying to do all 4 times every day in the Roundhouse. Come join us and scream at the Sun!
